

OPPORTUNITIES FOR DONOR RECOGNITION

As part of our efforts to raise the needed funds for the *We Remember You...* capital campaign, those who give generously and sacrificially to support our projects will be honored in perpetuity. There are a limited number of naming and memorialization opportunities for honoring loved ones, parishioners, groups or families. Please review these opportunities and prayerfully consider how you might want to use them. If more than one opportunity is available, the number follows in parentheses. To reserve an opportunity or obtain more information, please call the parish office at (919) 544-7135.

¹ The amounts indicated do not necessarily reflect actual construction costs; rather, they are an indication of the memorial or tribute value. Selection of an opportunity is processed first-come-first-served based on the amount and date of the donor's commitment and is subject to approval by the pastor. These opportunities may be granted to individuals, families, foundations or other charitable organizations. Actual naming and recognition will not take place until the donor fulfills their pledge and will be in consultation with the pastor.

² For these spaces, only saints' names may be chosen. We will memorialize the donor with a plaque by the entrance to the space.
